**SIGNATURE SEADREAM**

**SERVICE**

The expression “yachting” is not only a statement about size; it describes a lifestyle aboard the intimate vessels. SeaDream’s award-winning 5-star service is second to none. From the moment guests are welcomed aboard, it feels as if they are being welcomed onto their own private luxury yacht. The crew to guest ratio provides each guest with SeaDream’s incomparable style and expert attention to detail.

**DINING**

All cuisine is prepared à la minute and served al fresco or in the Dining Salon. International menus incorporate local flavors of the region with the freshest, high-quality ingredients often locally sourced. For those interested, SeaDream features an extensive Plant-Based & Vegan Menu.

A complimentary daily selection of wine pairings is provided at lunch and dinner from the SeaDream cellar, stocked with a varied collection from the Old and New World. An open bar with select premium brands is available throughout the day.

**ONBOARD**

Guests enjoy the “SeaDream treatment” from the moment they come aboard. The yachting experience begins with a warm welcome from the captain with cocktails and hors d’oeuvres. The rest is up to each guest.

Guests can lounge by the pool or on SeaDream’s signature Balinese Dream Beds, relax in the Thai-Certified SeaDream Spa, practice their game at a Golf Simulator, visit the Fitness Center or enjoy water sports right off the back of the yacht from the Watersports Marina.

By night, music and a lively social atmosphere fill the yachts. The Casino and Piano Bar are popular places for guests to mingle with new friends or they can enjoy an after-dinner cocktail while admiring the breathtaking night views.

**SHORESIDE**

**Yachting Land Adventures**

Yachting Land Adventure excursions can be booked and purchased on board. The excursions are designed by SeaDream’s Activities Managers to be enjoyed in small groups, allowing each guest to experience the dream destinations to their fullest.

### **Intimate Ports & Harbors**

Itineraries include destinations with hidden yachting harbors and smaller, less crowded ports and passages where large ships cannot visit.

SeaDream I & SeaDream II visit the Caribbean and Mediterranean. SeaDream *Innovation* will sail to destinations worldwide, including the polar regions.

### **CHARTERS & GROUPS**

SeaDream yachts are available for unforgettable private charters, hosting groups for corporate events, special anniversaries, birthday parties or family reunions. Past charters have included members of yacht clubs, country clubs, charity events, wine or culinary clubs and groups of friends seeking a casually elegant yachting experience. A SeaDream Yacht Charter Coordinator assists in every detail, from the custom itinerary and onboard activities to special dining requirements and entertainment options.
