## Familia Torres – Spain’s Wine Royalty - A legacy built through the efforts of five generations

Torres Wines was founded in 1870 after Jamie Torres had made his fortune through the flourishing oil and sea trade industry in Cuba.

After returning to his home country, Jamie and his brother bought the property in Vilafranca del Penedes, and an amazing journey was about to begin.

Bodegas Torres has managed to combine tradition and innovation with the aim of making premium wine and brandy, always with the utmost respect for the environment. The family tradition has been passed down from generation to generation, sharing the secret of making great wines and brandies and the love for the land.

It was in 1979 that Bodegas Torres was internationally recognized. During a blind tasting in France, their Torres Mas La Plana 1970 was ranked number 1, followed by classics such as Chateau Latour 1970 and Chateau Mission Haut-Brion 1961 – A star was born!

Over the years the family has acquired properties in the best wine producing regions of Spain, such as Rioja, Priorat and Ribera del Duero. Amongst their big and copious portfolio, there are many hidden gems, which will be presented through a complimentary wine tasting on SeaDream II. Experience firsthand why Familia Torres is considered as The World’s Most Admired Wine Brand.

The full-bodied Spanish red wines are the perfect companion for aromatic and flavorful dishes. Together with SeaDream’s Executive Chef, a unique menu will be composed, matching the elegant portfolio of Familia Torres, thus creating The Winemaker’s Dinner, an experience unlike any other. SeaDream is offering a wine-by-the-glass pairing package for an additional cost for the Winemaker’s Dinner.

## Olivier Leflaive – A haute-couture wine estate in the heart of Burgundy

The Leflaive family has been rooted in Puligny Montrachet since 1717 and is one of Burgundy’s most recognizable names.

Olivier Leflaive Frères was established in 1984, when Olivier decided that

he wanted to use the expertise he’d acquired at his family estate, the world-famous Domaine Leflaive, to make his own mark on red and white Burgundy.

Throughout the years Olivier Leflaive has become one of French Burgundy’s most respected wine producers, offering wines of exceptional quality, consistency and style from village appellations and cru vineyards across the legendary Côte d’Or.

Even though Olivier Leflaive is technically a negociant house, its approach sets it apart from the others, purchasing only the very best grape material, also including grapes from their own 12 hectares of land – hence all wines are made from scratch at Olivier Leflaive’s winery in Puligny Montrachet.

The wines from Olivier Leflaive are pure and limpid. Wines remaining true to their origins, but also exhibiting character from the talented winemaker Franck Grux’s personal style – restrained and flamboyant at the same time, a wine style that has been appreciated with awe.

It is not very often one gets the opportunity to meet wine personalities such as Olivier Leflaive. Grasp this once in a lifetime opportunity and join Mr. Leflaive on the SeaDream Wine Voyage, where he will host a complimentary wine tasting, presenting his unique history and wines.

Dine with Mr. Leflaive as he hosts a very special degustation dinner. SeaDream’s Executive Chef will create an exquisite menu that pairs with the excellence of the exclusivity of Olivier Leflaive wines. SeaDream is offering a wine-by-the-glass pairing package for this Winemaker’s Dinner.

The brothers, Francois and Jean-Etienne Matton are the third generation to run this classic estate which is internationally recognized as a top producer of rosé wine in the pale, dry, fresh and herbal style that the region is famous for.

During this Land Adventure, meet the men behind the curvaceous bottle and taste wines from the estate Minuty, or to the popular M de Minuty. In the shade of the cypresses, we tour the vineyards and get a hands-on understanding for what makes the top rosé wines of Provence so elegant and delicious.
