Dievole- Walking Around Tuscan Vineyards

DIEVOLE Imagine then tasting wines from an estate dating back to the year 1090 – at the time where Leif Erikson discovered North America and the Chinese invented gunpowder. The name Dievole officially appeared for the first time in a contract when the property was bought for two capons, three loaves of bread and 6 silver Lucca denari – the property was a divine vineyard. Through the centuries you can find Dievole on the hands of many nobleman and women in the Chianti area, and at one point the property was divided into 16 different properties – today that is the 16 vineyards of Dievole. The aim for the wines of Dievole is to enhance the deepest identity of its terroir and its legacy. Yesterday's dreams become tomorrow's goals; old heritage blended with new ideas turns into delicate and beautiful wines.

During this Wine Voyage, SeaDream guests can experience a "walk" around Tuscan vineyards at a complimentary wine tasting. Starting at the coastline of Tuscany, in the area known as Bolgheri – famous for its Super Tuscans and vibrant Vermentino. Moving on uphill to Chianti Classico and the divine vineyards of Dievole before ending up at the hilltops of Montalcino – the land of Brunello. Areas all known for its iconic wines. The "walk" around the Tuscan Vineyards will be complete when an exclusive selection from the estates meet the specially curated menu from SeaDream's Executive Chef – Welcome to the for the Winemaker's Dinner. A highlight of your yachting experience – an evening for exquisite food and wine pairings. For the Winemaker's Dinner, SeaDream is offering a wine-by-the-glass package for an additional cost.

Ca'Del Bosco - A Dream Come True

Ca'del Bosco

Raise your glass to the Italian bubbles. There are moments without words that only sensations can define, and the art of wine is such a moment, a masterpiece created by the talent that few possess. Experience a gentleman, and his estate, that truly possess this talent. Ca'Del Bosco was founded in 1968 when a 15-year-old boy had the vision to produce something that would be compared to the finest champagnes. The Ca' del Bosco is a fairytale written in its wines, in the extensive weave of its vineyards, in the success dreamt of, desired and achieved by its author, Maurizio Zanella. Each step of the winery's viticultural and winemaking process is based on a relentless commitment to excellence. Today, Ca 'del Bosco has become a symbol of Franciacorta, one of the wineries that are able to collect large awards everywhere and deserved praises – earing 41 "Tre Bicchieri" awards from Gambero Rosso since 1998 – the second highest awarded winery in the history by the publication. Experience your own sensational moment and these stunning Italian bubbles, through an engaging wine tasting, where their impressive range will be sampled.

And at the very special degustation dinner, SeaDream's Executive Chef will create dishes that complement the excellence of these Italian bubbles. An evening dedicated to exquisite pairings and the joy of sharing excellent food and wine in good company. SeaDream is offering a wine-by-the-glass wine pairing package for this degustation dinner, for an additional cost.

Marilisa will share her passion and knowledge through an exclusive wine tasting, a journey through Italian fine wine winemaking. With a vast, expressive and elegant portfolio – the Winemaker's Dinner will be a highlight of your yachting experience, exquisite food, and wine pairings – seasoned with Marilisa's knowledge and personality. For the Winemaker's Dinner, SeaDream is offering a wine-by-the-glass package for an additional cost.

Experience the Karlic Family - Istra Truffle Story

An exclusive SeaDream experience awaits. Few areas of the world afford a real search for the "culinary gold" known as truffles, and most truffle farmers are extremely cautious of "trespassers" to protect their valuable crop. Meet the Karlic family (a grandfather, mother, grandchildren, and dogs) at their farm. Both white and black truffles found at their farm are considered to be among the best quality truffles in Istria.

Experience an authentic truffle hunt in their own woods where the family grow and harvest truffles. The truffles grow underground and are therefore invisible. However, with the trained dogs the characteristic strong smell makes them easy to recognize.

Taste delicious products made of truffles all prepared by the family, including Istrian cheese with truffles, sausages with truffles, truffle paté, honey with truffles and olive oil with truffles. The highlight of tasting is a live interactive presentation of making famous Istrian "fritaja" scrambled eggs with truffles - be prepared to indulge in truffles! A lovely experience and a day that will be remembered!
