Champagne Taittinger – and the legendary Comtes de Champagne

"Too much of anything is bad – but too much Champagne is just right."
- Mark Twain.

Champagne and SeaDream have always gone hand in hand. Experience one of the most prestigious champagnes of the world - Taittinger Comtes de Champagne - on a voyage entirely devoted to the enticing effervescence. The house of Taittinger origins back to 1734 when the original house was founded by Jacques Fourneaux, and from the very beginning the house was synonymous with excellence.

When Pierre Taittinger first discovered the Champagne region, he was a young liaison officer during the First World War – he fell in love with the house Château de La Marquetterie. Thanks to his passion for wine and gastronomy he returned several years later and invested all his energy into the development of what would become one of the most renowned houses from the Champagne.

The unique cuvee Comtes de Champagne is a rare gem. Since its first cuvee in 1952, 30 vintages have seen the light of day. Among these, several have become legendary and today can only be tasted through words...or by listening to those who have tasted them.

Absorb the spirit of this enchanted house, and experience the Taittinger spirit, a family who lives and thinks Champagne. Sip the invigorating bubbles of Taittinger and become one of those who get to indulge in the legendary cuvee Comtes de Champagne as the family hosts a complimentary Champagne tasting.

Following the tasting comes the Winemaker's Dinner, where carefully created dishes will match the exquisite champagnes, served in Magnum formats SeaDream is offering a wine-by-the-glass pairing for an additional cost for the Winemaker's Dinner.

Argentina – a progressive wine country.

Argentina is the world's 5th largest wine producing country, and the transformation from being a bulk wine producing country into being known for fine wine has been tremendous over the last 30-40 years.

Now, vineyards are planted at extremely high altitudes, in the cooler areas – resulting in low yield, amazing character, finesse and maximum quality. Argentina's strength in addition to the uniqueness of its terroir and microclimate is the wide range of grape varieties – resulting in a wine journey within the country unlike any other region.

Experience firsthand these vibrant and unique wines as your host, Ambassador for Great Wines of Argentina Liora Levi invites SeaDream guests on a complimentary wine tasting where the diversity of this beautiful wine country will be presented.

The highlight is the stunning wines from a house founded in 1883, one of the oldest in Argentina.

Trapiche is located in Mendoza, at the foothills of the Andes, and has been one of the pioneers of fine wine from Argentina, and is today the largest producer of Argentinian fine wine to the international market.

Trapiche is dedicated to creating the best Malbec wines in the world, and they have succeeded with The Single Vineyard Malbec Series.

As a tribute to the growers passion and dedication, the winery selects the finest fruit from three growers and vineyards and bottles the very limited production exclusively.

The result is rich, incredibly massive, terroir-driven wines. They show a bold and powerful fruit that expresses the passion,

history and the grower's personal touch.

The precision and the elegance of the wines will be beautifully paired with a decadent menu from SeaDream's Executive Chef, an evening known as the Winemaker's Dinner. SeaDream is offering a wine-by-the-glass pairing package for an additional cost for the Winemaker's Dinner.
