Exclusive wine tastings are followed by the Winemaker's Dinner, where SeaDream's Executive Chef's degustation menu is complemented with top cuvees from our visiting Winemaker. An evening unique to our Wine Voyages is all about an unforgettable culinary experience that is incomparable to other wine cruises. Taste only the best, exclusive and most memorable reds, whites and champagnes.

On all SeaDream voyages, bar drinks and selected wines are complimentary. Wine packages by the glass during Winemaker's dinner and Wine Land Adventures are offered at an additional cost. During the Wine Voyages, a representative from the visiting winery will be present to host the scheduled wine tastings and the winemaker's dinner.

Champagne Armand de Brignac – Exclusivity, Tradition and Excellence

SeaDream Yacht Club and prestige champagne is a match made in heaven. And what better way to enjoy one of the world's most exceptional champagnes, than on turquoise waters.

Champagne Armand de Brignac is a collection of prestige cuvées, crafted by 13th generation wine growers, the Cattier family. Helmed today by a father and son winemaking team, the family have owned and cultivated vines in the champagne region since 1625.

Drawing upon more than three centuries of experience, the small winemaking team dedicate intense attention to detail in their pursuit to create the very best champagnes possible. They source fruit from the vineyards showing the highest quality of the harvest, taking solely the first and freshest portion of the cuvée press, and blending a unique trio of vintages for each assemblage.

Each metalized bottle is finished by hand, with the application of French pewter labels, polished, and housed in its own wooden lacquered gift box. A highly skilled team of just 18 people touch a bottle of Armand de Brignac, from pressing the fruit, to the bottle's departure from the cellars in France. The result is a tête de cuvée that offers unparalleled luxury and craftsmanship.

Sustainability is a core principle of the winemaker's vineyard management, and their own lands are certified HVE level 3 – the highest grading from the French government – acknowledging the level of care they give to the environment, to protect it for future generations. Indeed, Champagne Armand de Brignac is a prestige cuvée for the new millennium – made from "the Crème de la Crème". With a strictly limited production, where every step of the production is led by the human touch; from harvesting, to bottling and labeling – it is a truly artisanal champagne showcasing a unique boldness and edgy personality.

Experience the exceptional prestige cuvées from Champagne Armand de Brignac in a complimentary champagne tasting on your SeaDream yacht, an opportunity as rare and unique as the champagne itself. Following the tasting comes the Winemaker's Dinner, where carefully created dishes will be paired with the exquisite champagnes – the ultimate luxury experience for the gastronome. SeaDream is offering a wine-by-the-glass pairing package for an additional cost for the Winemaker's Dinner.
