SeaDream's Wine Voyages are designed to enhance both your culinary and yachting experience. Meet the personalities behind some of the world's most renowned wineries, as well as several less familiar but equally notable vineyards and explore their flavors and history.

Exclusive wine tastings are followed by the Winemaker's Dinner, where SeaDream's Executive Chef's degustation menu is complemented with top cuvees from our visiting Winemaker. An evening unique to our Wine Voyages is all about an unforgettable culinary experience that is incomparable to other wine cruises. Taste only the best, exclusive and most memorable reds, whites and champagnes.

On all SeaDream voyages, bar drinks and selected wines are complimentary. Wine packages by the glass during Winemaker's dinner and Wine Land Adventures are offered at an additional cost. During the Wine Voyages, a representative from the visiting winery will be present to host the scheduled wine tastings and the winemaker's dinner.

John Terlato and Terlato Wine Group

“As passionate wine lovers ourselves, we take great pride in crafting wines with harmonious elegance and power that can be enjoyed today, but tell an even greater story when aged gracefully for years”.

SeaDream Yacht Club invites you to explore the finest American wines whilst sailing on turquoise waters. Terlato Wine Group is one of the world’s leading luxury wine companies. The Terlato Family has been in the wine business for over half a decade, and where the pioneers of fine wine import in the US. Throughout the years they have remained true to a simple principle; putting quality first. Their determination for quality is evident in every bottle of wine the company imports, markets and produces.

Inherited down from father to sons, the Terlato family’s keen appreciation for pairing fine food and wine resulted in building a kitchen and dining room on the second floor of the wine warehouse where they prepare menus and introduce high-quality wines to wine byers and owners of fine restaurants and retail stores. Tom Matthews, now executive editor of Wine Spectator Magazine once said: “an invitation to the Terlato’s table is as prized as a table at Taillevent” (Michelin star restaurant in Paris). Mid-90’s, the family completed the circle by purchasing Rutherford Hill Winery in Napa Valley – the first one of several significant wine-making ventures.

John Terlato is a highly admired wine writer, vintner and fine wine ambassador in the US. His natural curiosity and inquisitiveness led John to explore opportunities to understand the farming and wine-making aspects of their vineyards and wineries. Working closely with the winemakers and their wine-making teams in bringing the family’s vision to life. With a profound passion for the grape varieties Pinot Noir and Chardonnay, that naturally led him to Burgundy – the philosophical center for these two noble varieties. Immersing himself in understanding the potential and at the same time befriended some wonderful wine-making families.

Participate at complimentary wine tastings where John shares his family’s passion for food and wine, their unique story developing the fine wine market in the US and of course, where John eagerly shares the beautiful wines from Rutherford Hill, Chimney Rock and Sanford Winery.

With a playful and passionate approach to food and wine, the Winemaker’s Dinner orchestrated by John – invites to magical moments with its exquisite food and wine pairings. For the Winemaker’s Dinner, SeaDream is offering a wine-by-the-glass package for an additional cost.
