### Castello Banfi

Castello Banfi is a family-owned vineyard estate and winery located in the Brunello region of Tuscany. This award-winning estate was founded on the philosophy of blending tradition with innovation and is recognized as a pioneer in elevating the standards of Italian winemaking. Capturing honor after prestigious honor, Castello Banfi is a constellation of single vineyards encompassing over three dozen varying subsoils. The estate is renowned for its clonal research that allows noble grape varieties to thrive in their optimal terroir, creating not only a consistently outstanding Brunello, but the ultimate expression of Montalcino Super Tuscans.

### Chateau Musar

Established in 1930 by Gaston Hochar, Chateau Musar's third generation produces wines with the same dedication and passion as their founder. The Hochar family's mission is to fulfill the legacy of their founder and continue to produce vintages with the same distinctiveness, energy, and spirit. The wines are a unique expression of French and Lebanese history, stemming from vines that have been cultivated from Lebanon's high-altitude Bekka Valley for over 6,000 years, and are certified organic.
