CASA ROJO

Founded by winemakers Jose Luis Gómez and his wife, Laura Rojo, in 2009, Casa Rojo is a wine company based in Spain producing high-quality wines. Their winery and vineyards are located in Ribera de Duero (North of Spain) and on the northern slope of the Sierra de La Pila Regional Park (Southeast of Spain). Both are unique locations for Tempranillo and Monastrell vines, both telling stories of love and passion.

ANDRÉ CLOUET

The origins of the Clouet family are lost in the mists of time. Their most distant ancestors held the position of printer to the King of France for several hundred years. The descendants of André Clouet took up the estate, which has now been modernized, and the family team works to perpetuate the house of André Clouet. They are inspired above all by the desire to preserve the personality of their acclaimed champagne.
